

Rollesby Primary School and Nursery

Parent / guardian name:.....

Pupil name:

Pupil's class:

As the parent or legal guardian of the above pupil(s), I grant permission for my child to have access to use the Internet, school Email and other ICT facilities at school.

I know that my daughter or son has signed a form to confirm that they will keep to the school's rules for responsible ICT use, outlined in the online-safety policy. I also understand that my son/daughter may be informed, if the rules have to be changed during the year. I know that the latest copy of the online safety policy is available at www.rollesby.norfolk.sch.uk or from the school office and that further advice about safe use of the Internet can be found at <https://www.thinkuknow.co.uk/>

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using a filtered internet service, secure access to email, employing appropriate teaching practice and teaching e-safety skills to pupils.

I understand that the school can check my child's computer files, and the Internet sites they visit. I also know that the school may contact me if there are concerns about my son/daughter's online safety or online behaviour.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's online safety.

The school cannot accept responsibility for loss or damage to personal devices. It is not permitted for pupils to use mobile phones during the school day. Phones should not be brought into school unless there is a genuine reason for doing so and then should be handed to the teacher at registration to returned at the end of the school day. Other devices should not be brought into school unless the school has given permission.
